

## LIMIT LEVELS FOR PAYMENT OPERATIONS, MADE THROUGH THE MOBILE APPLICATION MY FIBANK, WHEN SIGNING WITH PASSWORD/BIOMETRICS

The limit levels are the maximum amounts up to which you can perform transactions through the mobile application. Upon registration for active banking done through the mobile application by confirmation with Token device, it is applied the lowest level - "Level A".

### Limit levels for INDIVIDUALS:

Valid until 29.09.2020

Type of account limit in currency units	Level A	Level B	Level C
A week	1 000	2 000	4 000
A day	500	1 000	2 000
An operation	100	500	1 000

Change to a higher level is possible by submitting a "Request for change of registration in My Fibank". This can be done through My Fibank from menu "Settings" - "Mobile application My Fibank" (only for individuals) or at a branch of Fibank.
