*Re: First Investment Bank increased its shareholding in "Health Insurance Fund FIHealth"  
AD*

Dear Sirs,

We hereby inform you that First Investment Bank AD acquired 100 000 ordinary bearer voting shares, with nominal value of 1 lev each (temporary certificates in place of shares), constituting 2% of the capital of "*Health Insurance Fund FI Health*" AD, from Radoslav Todorov Milenkov. Following the acquisition First Investment Bank now holds 2 955 000 ordinary bearer voting shares with nominal value of 1 lev each, representing 59,1% of the capital of the health insurance fund.

Regards,
