3.2.1. In order to improve the quality of the service provided, the Bank reserves the right to make changes in the computer programs which perform it. Should any of these changes require a modification of the necessary equipment, operating system, or speed of the Internet connection, the Bank shall notify the Account Holder to that effect by a message made available to him through *My Fibank Cyprus*, the Mobile Application, or on the Bank's website at www.fibank.bg prior to implementing the change.

Preliminary information

3.3. Bank shall make these GTC, the Operating instructions for the *My Fibank Cyprus* system, the Tariff, the GTCPS, as well as the special conditions and instructions for use of the specific service, available to the Users in an accessible way and allow sufficient time for making an informed decision for the use of the service concerned, respectively for entering into an agreement, including through announcing them on the website of the System at <https://my.fibank.com.cy>, and/or on the website of the Bank at www.fibank.bg, or in another accessible manner, on a durable medium, in the form of intelligible text in English language.

3.3.1. At the request of the Account Holder, the Bank may provide the preliminary information in a manner different than those indicated in item 3.3., subject to charges as per the Tariff.

3.4. Before using the services offered by *My Fibank Cyprus*, the Account Holder/the Authorized User shall be obliged to acquaint themselves with the specific rules for their use.

3.5. When using *My Fibank Cyprus*, the Account Holder/the Authorized User shall be obliged to comply with the security measures, requirements and guidelines of the Bank published on the website of *My Fibank Cyprus*.

IV. REGISTRATION, ACCESS AND IDENTIFICATION

4.1. Registration shall be performed personally by the Account Holder, by submitting a request for registration containing the data necessary for the purpose, such as names, valid electronic address for receiving of information, username, password and others as per the Operating Instructions

4.2. The registration shall be confirmed and activated at an office of the Bank, based on a signed Request for registration /change/termination of the registration (the Request) and after presentation of all documents required by the Bank. The conformation of the registration of a legal entity Account Holder, as well as of the Authorized Users, may also be performed by a person authorized by the Account Holder with an explicitly certified by a competent official power of attorney (legalized under the relevant order and translated into English in case it was published outside the Republic of Cyprus) drawn up in accordance with the requirements of the Bank.

4.3. In the Request, the Account Holder may specify one or more individuals – Authorized Users who in his name and for his account may use *My Fibank Cyprus*, determine their access rights to the selected services. The documents proving the authorization (power of attorney certified by a competent official and prepared in compliance with Bank's requirements) shall be attached to the request for registration.

4.3.1. The Account Holder may at any time unilaterally revoke the rights granted by him to the Authorized Users.

4.4. The Account Holder shall be obliged to immediately notify the Bank in writing of any changes in the data or documents submitted by him, including with respect to the Authorized Users, regardless of whether or not the circumstances concerning such changes, including with respect to the representation of a legal entity, are subject to registration or disclosure in a public register.

4.5. The changes in the data/documents or representative powers shall have effect with respect to the Bank from the moment the Bank was notified by the Account Holder of such changes in writing, by depositing the relevant documents in an office of the Bank, and for updating mobile phone numbers – also following the procedure under item 4.5.1. below.

4.5.1. Authorized users may update their mobile phone number via *My Fibank Cyprus*. For customers with active banking access, change and confirmation of the updated phone number is done through *My Fibank Cyprus*, depending on the means of access and identification used by the Authorized User. Authorized users with passive banking access who hold a card issued by the Bank may change and confirm their updated mobile phone number by entering the authorization code of an ATM transaction and the ATM ID number, as printed on the ATM slip, within 24 hours of the transaction performed with such card.

Means of access and identification

4.6. The Account Holder/Authorized User may use one or any combination of the following means of identification and access to *My Fibank Cyprus*, depending on the services requested:

4.6.1. Username and password in combination with a one-time code sent via SMS message (used independently until activation of the new version of the Mobile application with built-in Software Token under item 4.12.1.) to the Authorized User's mobile phone number registered with the Bank, providing access to *My Fibank Cyprus* electronic banking. Upon registration made in an office of the Bank, the Authorized User shall have the right to specify his username, while a one-time password, for security purposes, shall be automatically generated by the Bank's information system and sent to the Authorized User's e-mail address specified in the Request. The Authorized User should then change the one-time password, determining a login password for

My Fibank Cyprus consisting of a combination personally selected by him.

4.6.2. Combination of TAN and PINt – all active and passive banking transactions in My Fibank Cyprus, in accordance with the granted permissions, can be performed using a valid PINt and a TAN generated by an electronic encoding device Hardware or Software Token together with one-time code, sent through SMS to the registered in the Bank number of mobile phone of the Authorized User (when using Hardware Token). Using Hardware Token does not require a computer installation or any other special settings. When receiving a Hardware Token, at an office of the Bank, the Authorized User shall also be provided with a PINt that shall serve for personal identification. For security purposes, the PINt shall be automatically generated by the Bank's information system and sent to the Authorized User's e-mail address/mobile number specified in the Request.

4.6.2.1. The PINt used with a TAN from an activated My Fibank Mobile Application with built-in Software Token, shall be determined personally by the Authorized User in the process of activation, after identification through a combination of username, password and the one-time activation code of the Mobile Application. It shall be used to perform all active banking transactions, including 3D Secure card payments.

4.6.2.2. To unlock the *Fibank Token* application, the Authorized User chooses whether to use his biometric data, or a password known only to him. It shall be considered that, by submitting a Request for a Software Token, the Authorized User selects the Software Token as means of authentication before the Bank when using *My Fibank Cyprus*, and that by activating it the Authorized User instructs the Bank to deregister any other active means of authentication (PINt and TAN generated by a Hardware Token) – should such means be present in his registration/s.

4.6.3. Password or Fingerprint/Face ID in combination with TAN from an activated My Fibank Mobile Application with built-in Software Token can be used for access and identification to perform all active banking transactions.

4.7. When the Account Holder has determined one or more Authorized Users, each one of them shall use individual means of access and of identification. The Account

Holder shall accept that the means of access and of identification used by the Authorized Users are secure enough for the purposes of transactions and the specific terms agreed with the Bank, and shall be used to personalize the Authorized Users before the Bank when they are acting in the name and for account of the Account Holder

4.8. The Bank and the Account Holder agree that use of any of the ES specified in these GTC, independently and/or in combination between them and/or with other personalized security features such as Username, Password, PINt, TAN, shall be used by the Authorized Users and accepted by the Bank for giving authorizations, placing orders, and making electronic statements through *My Fibank Cyprus* for carrying out active bank operations for the account of the Account Holder. The electronic statements submitted after logging into *My Fibank Cyprus* shall be accepted and executed by the Bank as submitted and signed by the Authorized User, who has identified himself before to the Bank and is acting in the name of the Account Holder, with the enforceability of a handwritten signature attesting to the veracity and authenticity of the electronic statement for the transaction ordered.

4.9. The Bank reserves the right to change the permissible means of access and identification, or to set requirements for combinations thereof, in which case it shall inform the Users by a notice on the website of *My Fibank Cyprus* <https://my.fibank.com.cy>, or in another appropriate manner.

„My Fibank Mobile Application”

4.10. To use the *My Fibank Mobile Application* – Cyprus Branch, the Account Holder should have a valid registration in *My Fibank Cyprus*, and after activating the new version of the Mobile Application under item 4.12.1. – also an activated Mobile application on their registered Mobile Device (for active transactions).

4.11. The Account Holder/the Authorized User may use through the Mobile Application only passive banking as determined in item 2.2.1.

4.12. To perform passive transactions under item 2.2.1. above, Authorized Users need to activate the Mobile Application and register the Mobile Device with which they will access it, stating their request through the Mobile

Application under conditions and parameters determined by the Bank.

4.12.1. Fibank provides a new version of the My Fibank Mobile Application, allowing users who activate it to use a Software Token built into the Mobile Application.

4.12.1.1. Upon activation, the means of access and authentication that Authorized Users have used so far (PINt and TAN from a Hardware Token/Fibank Token) shall be automatically deregistered. The PINt of the activated Mobile Application and TAN generated by the built-in Software Token shall become valid for all accounts where the customer is Account Holder and/or Authorized User (including as a representative).;

4.12.2. An Authorized User can only have one activated Mobile Application with built-in Software Token. Upon activating the Mobile Application on another Mobile Device, the Mobile Application installed on a previous Mobile Device shall be deactivated.

4.12.3. Upon attempt for activation of the Mobile Application with built-in Software Token on a new Mobile Device, the Bank shall send an SMS to the registered mobile number of the Authorized User. For security reasons, the message shall contain a personalized link, allowing the Authorized User to activate the application on a new Mobile Device, or to block the activation process in case of suspected fraud or unauthorized action.

4.13. Activation of the Mobile Application with built-in Software Token shall be confirmed by the Authorized User remotely, following a step-by-step process determined by the Bank, which includes strong customer authentication. A one-time activation code for the My Fibank Mobile Application shall be sent via SMS to the Authorized User's mobile number registered with the Bank. The code shall be generated upon entering a combination of username and password, and shall serve for authentication in the activation process.

4.13.1. When the Mobile Application is activated, the built-in Software Token shall generate unique one-time codes (TAN) that can be used for access and identification purposes, as well as for confirmation of all electronic payment transactions through My Fibank, including online card payments.

4.13.2. The Authorized User may remove (uninstall) the Mobile Application from their Mobile Device at any time, as well as

deregister the Device. In case of re-installation of the Mobile Application on an already registered Mobile Device, regardless of the reason for that, as well as in case of changing the version of the operating system with which the Device operates that was not imposed not by the manufacturer of the Mobile Device, the Authorized User needs to activate the Mobile Application again, under item 4.13 above.

4.14. Means of access and identification when using the Mobile Application, valid until activation of the Mobile Application with built-in Software Token under item 4.12.1 above:

1) **Username and Password** are the ones determined by the Authorized User for use with My Fibank Cyprus. They serve for access and identification.

2) **Combination of PINt and TAN** – by entering a valid PINt and a TAN generated by a Hardware/Software Token serve for access and identification to the Mobile Application.

3) **ID number of registered Mobile Device** – is used in combination with a Username and Password or with Fingerprint/Face ID and/or TAN and PINt generated by a Hardware/Software Token - for access and identification to the Mobile Application..

4) **Fingerprint/Face ID** – functional options of a Mobile Device, allowing the Authorized User to verify his identity through biometric data, which he uses to access the My Fibank Cyprus Mobile Application.

4.15. Means of access and identification, valid after activation of the Mobile Application with built-in Software Token under item 4.12.1 above:

1) **Combination of PINt and TAN** – by entering a valid PINt and generating a TAN from the built-in Software Token, the Mobile Application can be accessed. The combination of PINt and TAN generated by the built-in Software Token serves to access the Mobile Application and perform all active and passive banking transactions when using services through the electronic banking My Fibank Cyprus.

2) **Combination of Fingerprint/Face ID and TAN** – by using a Fingerprint/Face ID and generating a TAN from the built-in Software Token, the Mobile Application can be accessed and all active and passive

banking transactions can be performed when using services through the Application.

Measures to protect the Means of access and identification

4.16. The Authorized User shall:

4.16.1. Keep responsibly the Means of access and identification, e.g. the mobile devices and take all necessary measures against their damage, destruction, loss, alteration, theft, or use in any illegal way.

4.16.2. Keep secret the personal identification characteristics of his/her Means of access and identification, such as Username, Password, PINt including of the Mobile Device (when using the My Fibank Mobile Application or in cases of operations through TPP), and take all necessary precautions against their becoming known to third parties, as well as protect the devices used for access (such as a computer, tablet, mobile phone, etc.). The PINt/Password selected by the Authorized User should not consist of easily ascertainable combinations (such as phone number, date of birth, car registration number, etc.).

4.16.3. Take the necessary measures when storing biometric data in the Mobile Device (such as Fingerprint/Face ID) in order to prevent their unauthorized use, e.g. fraudulent use, by:

4.16.3.1. using the Mobile Device only personally without giving it for use by third parties, e.g. children, parents, spouses, e.g. for use of biometric data functionalities;

4.16.3.2. not keeping biometric data of third parties in the Mobile Device and deleting all biometric data of third parties if any

4.16.4. Check the address of the website accessed. If, upon entering the My Fibank Cyprus electronic banking, the web address (URL) does not start with <https://my.fibank.com.cy> or the icon indicating secure connection is not displayed in the browser window, this means that the Authorized User has not accessed the site of My Fibank Cyprus. In such case, there is a risk of coming across a website that aims to retrieve personalized security features or other identifying data (so-called phishing). The Authorized User should then immediately terminate access to that website and, if one or more of the personalized security features

have already been entered, notify the Bank using the phone numbers listed in item 9.5 .

4.16.5. In case the Authorized User has written down, or stored his/her personal identification characteristics for identification and access on an electronic, or another durable medium, thus creating prerequisites for their becoming known by third parties, or has communicated them to a third party, including to a family member or a relative, or has entered them on websites or through means of communication other than those specified in item 4.16.4. of these General Terms and Conditions, or has allowed use of the services provided through My Fibank Cyprus by a third party other than the Authorized User, it shall be deemed that the Authorized User has acted intentionally or with gross negligence and the Bank shall not be responsible for any illegal actions of third parties involving unauthorized access to My Fibank Cyprus that have caused damage to the Authorized User.

4.17. The personalized security features such as Username, Password, PINt, can be changed through *My Fibank Cyprus* repeatedly by the Authorized User with new combinations, known only to him/her. The Bank recommends that the Username, Password, and PINt are changed periodically.

V. PERFORMANCE OF SERVICES AND TRANSACTIONS THROUGH MY FIBANK CYPRUS

5.1. The Account Holder/Authorized User, duly registered for access to passive, respectively active banking, can receive information and details on balances and transactions of the accounts registered in *My Fibank Cyprus*, as well as initiate and authorize (by placing orders/requests, etc.) active transactions through *My Fibank Cyprus* without limitation, 7 days a week, 24 hours a day.

5.2. The Bank shall be entitled to determine limits for execution of payment transactions through *My Fibank Cyprus* application as well as for operations initiated through TPP – accessible on the internet site of the Bank at www.fibank.bg. The Bank may introduce other restrictions, apply exceptions, as well as establish additional requirements, including procedural ones, when necessary due to requirements of the current legislation, or for the purpose of maintaining a level of security according to the technical standards,

conditions and policies for electronic and mobile banking.

5.2.1. To access services and transactions requiring additional identification of the Authorized User by entering a national ID number and details of a Card issued by the Bank, the Authorized User shall owe the Bank charges according to the Tariff, the payment of which he shall order by each confirmation of the data entered.

5.2.2. The Bank provides the option and recommends that Account Holders set limits for execution of payment transactions (per transaction, daily and weekly) by submitting a change request at an office of the Bank.

Third party providers (TPP)

5.3. In the event that the User uses payment initiation and/or account information services when his/her account is available online via other payment service providers (third party providers), including when giving consent for the execution of a payment transaction or a series of payment transactions through such providers, the User is informed in advance that by giving such consent he provides the TPP with the same access as if the Account is accessed by the User himself.

5.4. By giving consent/instructions to a TPP, including for online transactions as part of the online payment process, or for payment initiation or retrieval of information about account balances and/or transactions (under the procedure established by the TPP), the User gives his express consent that this TPP, subject to the conditions under which it has identified itself and implements the legal requirements in its activity, accesses online the User's accounts in Fibank Cyprus Branch and initiates payment transactions from them for the Account of the User. In such cases, the Bank shall accept any instruction/order received from the TPP as placed by the User.

5.4.1. By confirming in *MyFibank Cyprus* of initiated by TPP request for consent through the used by the Account Holder means of access and identification, the Account Holder gives consent before the Bank that the accounts /current accounts/ chosen by him are to be accessible by TPP for the purpose of performing the Payment initiation and/or the Account information service.

5.4.2. Based on the consent of the Account Holder, the Bank provides the option TPP to be able to access information including on the balances and transactions on

the account as well as to initiate payment on his behalf.

5.5. Users, before giving consent and/or instructions for initiating payments or retrieving information from their accounts, should take the due care and make sure that the TPP has the right to perform the Payment initiation and Account information services.

5.5.1. TPPs should provide Users in advance with information on their registration, office address, authorization, identify themselves as payment service providers, and specify the supervising authority that supervises their activity. Each TPP should be duly registered or licensed to provide account information and/or payment initiation services. Users can obtain such information from the public registers maintained on the website of the Bulgarian National Bank at www.bnb.bg, respectively from the Register on payment and electronic money institutions maintained on the website of the European Banking Authority (EBA) at <https://euclid.eba.europa.eu/register/>.

5.5.2. To facilitate making informed decisions on the use of third party service providers for account information and/or payment initiation purposes, Fibank Cyprus Branch shall provide Users with additional information on its website at www.fibank.bg.

5.6. Users normally have the right to withdraw their consent given to a TPP, and in some cases this can be done following the instructions of the Bank and the TPP. In case of doubt regarding the security of their accounts, Users should immediately contact the Bank as described in item 9.5. of the present General Terms and Conditions.

5.7. The Bank shall not be responsible for any actions or inactions of the TPP (such as interruption or termination of the provision of the service), nor for any resulting damages. The Bank is not a party to the relationship between the User and the TPP. The fees charged by TPP are separate from the fees charged by the Bank.

5.7.1. If the payment transaction is initiated through a Payment initiation service provider, the burden shall be on the Payment initiation service provider to prove that within its sphere of competence, the payment transaction was authenticated, accurately recorded and not affected by a technical breakdown or other deficiency linked to the payment service of which it is in charge

5.8. The Bank may deny the TPP access to the Account/s of the User when unauthorized access or fraud is suspected, to which effect the User shall be advised in an appropriate manner, unless this is prohibited by law or for security reasons.

5.9. In case of failure to fulfill its obligations to the Bank, Users may not make objections based on their relations with third parties, including with TPPs.

Active banking

5.10. All requested transactions (including payment orders in euro and/or foreign currency) shall be performed under the terms and conditions set by the existing legislation, the internal regulations of the Bank, the GTCPS of Fibank Cyprus Branch, and according to the specific arrangements with the Account Holder.

5.11 The Authorized User may order payments from the accounts of the Account Holder, provided that the Authorized User has a level of access with rights to dispose of the account, in accordance with the defined limits, if any, and up to the amount of funds available in the account.

5.12. To execute a payment transaction, the Authorized User shall submit a payment order drawn up in electronic form, with correctly entered unique identifier/IBAN identifying the account of the Payee and, if necessary, the business identification code of the payment service provider for the Payee (BIC), as well as any other information and details required for execution of the respective payment service. In case the data is derived from an automated information exchange system, the Account Holder shall be obliged to make sure in advance that such data is correct.

5.12.1. The Authorized User shall be obliged to double check the correctness and completeness of the data and then confirm the requested transaction by signing the payment order with his chosen ES.

5.12.2. The Bank shall not be responsible for non-execution or incorrect execution of a payment transaction in case of inaccuracy of the unique identifier/IBAN of the Payee, and/or of other data required for its implementation, indicated in the payment order by the Authorized User.

5.13. Account Holder/the Authorized User shall provide the Bank in advance with copies of all supporting documents for the order

requested by the Bank and under the current legislation by e-mail, in the form of scanned documents on the following e-mail address: payments@fibank.com.cy.

5.14. The required documents that need to be provided by the Account Holder for execution of the ordered transaction under the current legislation, shall be compiled electronically, and submitted in the manner provided for submission of payment orders through *My Fibank Cyprus* and in accordance with the requirements of the Bank.

5.15. The Account Holder/the Authorized User may create, save and use templates of electronic payment forms, containing one or more commonly used details, in order to facilitate the completion of payment orders through the *My Fibank Cyprus* system.

5.16. The Account Holder shall be obliged to ensure sufficient available funds on the account for execution of the ordered payment transactions, and for payment of the charges due for their execution.

5.17. Payment orders shall be executed on the date of their receipt, unless another date for execution has been agreed, subject to the procedures, terms and value dates under the GTCPS of Fibank Cyprus Branch.

5.17.1. Payment orders, received after the working hours of *My Fibank Cyprus* for execution of payment orders, shall be considered as received on the next business day.

5.17.2. The working hours of *My Fibank Cyprus* for execution of payment orders shall be determined by the Bank in accordance with the rules of the payment system through which the payment transaction is executed and shall be announced on the internet site of the Fibank Cyprus Branch electronic banking or in another manner accessible for the users.

5.18. Payment orders received on behalf of the Account Holder/the Authorized User through *My Fibank Cyprus* according to the rules and procedures established by the Bank shall be considered validly submitted written statements that unconditionally bind the Account Holder. The Bank shall not be responsible for any damages or lost profits resulting from their implementation.

5.19. The Account Holder/the Authorized User shall be obliged to check the status of implementation of the payment orders initiated by him, and give timely alert in case

of any identified discrepancies. An order with "approved" status shall be deemed accepted for implementation by the Bank, and may not be cancelled through *My Fibank Cyprus* (the procedures for cancellation of orders referred to in GTCPS shall apply).

5.20. The payments shall be executed by the Bank, and/or through the mediation of third parties, including payment service providers, as well as through systems for data exchange and/or processing of the transactions associated with execution of payments, which are operated by third-parties. The acceptance and execution of payments shall be in accordance with the functional characteristics of the respective system, while the rights and obligations of the Bank with regard to the Account Holder shall remain in accordance with these GTC.

VI. REFUSAL FOR EXECUTION OF PAYMENT TRANSACTION

6.1. The Bank shall refuse the execution of a payment transaction ordered through *My Fibank Cyprus*, if the requirements of these GTC, the GTCPS or the specific agreed terms with the Account Holder are not met. The Bank shall refuse the execution of payment transaction when invalid or incomplete identifier (IBAN) is indicated, when there is no sufficient available balance on the account for execution of the transaction and for payment of the charges due to the Bank.

6.1.1. The Bank shall not be responsible for damages resulting from non-execution of payment transactions due to insufficient funds, non-fulfillment of the applicable rules and requirements or the agreed terms, or in case of transactions inadmissible under current legislation, including in connection with the measures against money laundering and terrorism financing.

6.2. The Bank shall notify the Authorized User of its refusal (by a "wrong" status in "Ordered documents" menu, e.g. by message "Push Notification" in "Notifications" menu – unless the option is explicitly deactivated by the Authorized User), and upon request of the Account Holder shall inform him of the reasons for the refusal and how to correct the errors (in case non-execution was due to errors), unless there is a ban on the provision of such information under a law or act of the European Union

VII. REPORTING

7.1. The Bank shall prepare and provide the Account Holder, as well as the Authorized Users specified by the Account Holder, with written account statements and other accounting information (statements, confirmations, etc.), with information on the transactions performed with bank cards, balances, and transactions on bank accounts, making them available through *My Fibank Cyprus*.

7.2. The Account Holder agrees to receive the statements and other documents and information under item 7.1. above in the manner stipulated under these GTC, without the Bank having the obligation to provide them on paper.

7.2.1. The Bank shall make the statements available on the date of their preparation, indicated in the document, which parties shall accept as the date of their receipt.

7.2.2. The Bank shall provide the Account Holder/Authorized User with access to statements for past periods, storing them in the System for at least 6 (six) months after their preparation.

7.2.3 The Account Holder shall be obliged to archive the documents received on his own durable medium, for a period sufficient for his information purposes.

7.3. The Account Holder shall be obliged to review the contents of the received reporting information immediately, and inform the Bank of any discrepancies found without undue delay, under the terms and conditions for submitting complaints pursuant to the GTCPS of Fibank Cyprus Branch.

7.3.1. If the Bank does not receive a written objection within 45 days from the execution date of a transaction, it shall be considered that the Account Holder has received and approved the reporting documents and the payment services connected with that transaction. Notifying the Bank after this period shall be considered undue delay on behalf of the Account Holder.

7.4. The Account Holder confirms that he is aware of, and assumes the risks associated with transmission of data in the Internet environment, of the possibility of unauthorized access and disclosure of information to third parties, of alteration of the contents or technical omissions in the transmission of data and information in unencrypted form, protected only by password.

VIII. BLOCKING OF ACCESS

8.1. The access to *My Fibank Cyprus*, including to the Mobile Application may be blocked by the Bank in the following cases:

8.1.1. at the request of the Account Holder or the Authorized User, pursuant to item 9.5. below, without them having to specify a particular reason for that;

8.1.2. on the initiative of the Bank – for objective reasons related to the security of the identification data, or in case of reasonable suspicion of payments submitted through *My Fibank Cyprus*, which have not been authorized by the Account Holder, or in case of significantly increased risk that the Account Holder may not be able to meet their obligations to the Bank;

8.1.3. on the initiative of the Bank – for the Account Holder/the Authorized User who, with their actions, violates the requirements of the existing regulations, of these GTC and/or the GTCPS, who threatens the security and proper functioning of the System, or threatens or obstructs the use of the services by other customers;

8.1.4. automatically - following a series of wrong attempts to enter a TAN, PINt, Password, or other personalized security features as specified in the Operating instructions.

8.2. In the cases under item 8.1.1. the Bank shall block the access within the time necessary for processing the request, but not later than 2 hours from its receipt, unless for objective reasons a longer period is required.

8.3. The Bank shall notify the Account Holder of the blocking of access in the cases under items 8.1.2. and 8.1.3. and of the reasons for that prior to the blocking if possible, or at the latest immediately thereafter, unless giving such information is not allowed for security reasons or due to compliance with regulatory requirements.

8.4. Unblocking of access shall be made by the Bank after elimination of the grounds for blocking, and where the blocking was made upon the initiative of the Account Holder/the Authorized User – based on a request for unblocking submitted by the Account Holder, after fulfilling the requirements in the Operating instructions and payment of a fee according to the Tariff.

8.5. The Bank shall not be responsible for damages arising as a result of blocking of access under this section.

IX. RESPONSIBILITIES

9.1. The Bank shall not control the purpose, nor shall it monitor the lawfulness of the transactions underlying the payments executed under these GTC, unless otherwise provided by law, nor shall it be responsible for damages, or for resolving of disputes arising in connection with such transactions.

9.2. The Account Holder/the Authorized User shall be responsible for damages caused by them directly or indirectly to the Bank, related to unauthorized access to information or making of payments through *My Fibank Cyprus*, to non-compliance with the banking requirements, or to use of *My Fibank Cyprus* services in a way that is improper, illegal, or contrary to these GTC.

9.3. In case of breach of his/her obligations to the Bank in connection with the use of *My Fibank Cyprus*, the Account Holder may not make objections based on their relations with third parties, including TPPs.

9.4. The Account Holder/the Authorized User shall be responsible for any attempts on their part to gain unauthorized access to other customers' registrations or information.

9.5. The Account Holder/the Authorized User shall be obliged to immediately notify the Bank upon doubt that a third party has learned, or might learn their Username and Password and/or the personalized security features of a means for access and identification, and request blocking of access to *My Fibank Cyprus* or of the means for access (if the means allows blocking). The notification shall be made in person at an office of the Bank, or by calling the following telephone numbers:

☎ +35970012777;

☎ + 357 22 760150.

In case of change of the telephone numbers, the Bank shall notify the Account Holder/the Authorized Users by a message on the website of *My Fibank Cyprus* on address: <https://my.fibank.com.cy>.

9.5.1. The Bank shall not be responsible for any damages if it has received an incorrect notification by a person who, on the basis of unambiguous circumstances, has been authorized to make it, and the Bank, acting in good faith, has taken the necessary measures to protect the interest of the Account Holder by blocking the access and not executing payment

transactions ordered through *My Fibank Cyprus*.

9.6. The Account Holder shall bear all losses, regardless of their size, relating to unauthorized payment transactions resulting from improper use of *My Fibank Cyprus* in the cases of item 4.16. above, as well as all losses caused by him, or by an user authorized by him, through fraud or through failure to fulfill of one or more of the provisions of these GTC, the security measures set out in the Operating instructions, including the measures for protection of the means of access and identification, which shall be considered gross negligence.

9.6.1. Until receipt of the notification under item 9.5. the User, who is a consumer, shall bear limited liability pursuant to GTCPS, and after receipt of the notification and blocking of the access, the User shall not be liable for any damages, unless he has acted fraudulently, in which case he shall be liable for all damages.

9.7. The Account Holder and the Authorized Users shall notify the Bank immediately upon detection of delay, malfunction, or failure to receive information, as well as provide assistance to the Bank for preventing and limiting damages in the way indicated by the Bank.

9.8. The Bank shall provide information on the website of *My Fibank Cyprus* at <https://my.fibank.com.cy> on the appropriate measures to enhance security. The Authorized Users of *My Fibank Cyprus* shall check regularly for information and warnings to enhance security, and implement them.

9.9. The Bank shall not be responsible for damages and lost profits due to inaccuracies, errors or delays in the transmission of information due to force majeure, technical, communication or other reasons beyond the Bank's control, or for the continuity of access to *My Fibank Cyprus*.

X. INTERESTS, FEES AND COMMISSIONS

10.1. For the use of the Bank's services through *My Fibank Cyprus*, the Account Holder shall owe fees and commissions as per the GTCPS and the Tariff.

10.2. The interest accumulated on the balances of the Account Holder's accounts shall be calculated and accrued under the

GTCPS, and announced in the Interest Bulletin.

10.3. In connection with the registration and use of *My Fibank Cyprus*, as well as the use of other banking services related to the implementation of rights and obligations of the parties under the Agreement and these GTC, the Account Holder shall owe the Bank fees and commissions under the GTCPS and the Tariff effective on the due date.

10.4. The terms and conditions for amending and supplementing the Tariff and the appendices thereto shall be governed by the GTCPS.

10.4.1. Changes in interest rates and exchange rates shall be applied in accordance with the GTCPS.

10.5. The Bank shall have the right to officially collect all amounts due to it by the Account Holder, including fees and commissions, from any account in the Account Holder's name kept with it, under the terms and conditions of the GTCPS.

XI. COMMUNICATION

11.1. All communication, including notifications between the parties, shall be made in writing, including to the e-mail addresses of the parties specified in the registration, unless another way of notification is expressly provided by these GTC.

11.2. In case of change of the address and/or other details provided by the Account Holder, the latter shall be obliged to notify the Bank within 7 days of the change. Otherwise, all notices, invitations and messages sent by the Bank to the previous address of the Account Holder shall be deemed served.

11.2.1. In the event of legal proceedings in a dispute arising in connection with the conclusion, performance, interpretation, or termination of the Agreement or these GTC, the addresses of the parties stated in the Request shall be considered as addresses for service of summons and court messages, unless either party has expressly notified the other party of a change of address.

XII. CHANGES IN THE GTC

12.1. The Bank shall have the right at any time to unilaterally change these GTC, of which it shall notify the Account Holder in writing, at least 3 (three) days, prior to entry

into force of the respective change, by making an announcement on the website of *My Fibank Cyprus* at <https://my.fibank.com.cy>, in its banking offices, by sending an electronic message, with the account statement, by phone, by email, by mail to the correspondence address, or in another appropriate way as determined by the Bank, including by announcement on the Bank's website at www.fibank.bg, or through another durable medium at the Bank's discretion.

12.1.1. When the Account Holder is a consumer, the notification shall be made at least 2 (two) months prior to entry into force of the respective change.

12.1.2. The Bank shall provide the GTC with the upcoming changes to all users who may receive them in paper form at an office of the Bank upon request, as well as electronically, in an accessible and convenient storage form, by publishing them on its website at www.fibank.bg within the period prescribed under item 12.1, respectively two months in advance for users who are consumers.

12.2. In case the Account Holder disagrees with the changes, he/she shall have the right to immediately terminate the Agreement (without owing any penalties or compensation in connection with termination due to amendments in these GTC) prior to the date on which the changes are proposed to take effect, by a written request without notice, pursuant to Section XIII, after having repaid in full their obligations to the Bank. If the Account Holder does not terminate the Agreement by the date of entry of the changes into force, it shall be considered that the Account Holder has accepted them and is bound by them.

12.3. Changes in the GTC related to legislative changes or to extending the scope of the services, as well changes in the charges and/or conditions of the payment services provided, when more favorable for the users, shall apply immediately and without prior notice.

XIII. TERM OF THE AGREEMENT, TERMINATION

13.1. The Agreement is concluded for an indefinite period of time

13.2. The Agreement shall be terminated:

a) by written order of the Account Holder without notice, unless otherwise agreed

between the parties, provided that there are no outstanding obligations to the Bank;

b) At the request of the Bank – unilaterally, with 30 (thirty) days' notice, and when the Account Holder is a consumer – with 60 (sixty) days' notice, addressed to the Account Holder on paper or on another durable medium, after expiry of the notice;

13.3. Upon termination of the Agreement, the Account Holder shall be obliged to pay all charges due to the Bank. Monthly charges which are paid after the beginning of the month for which they were due, shall not be considered prepaid. Charges prepaid by an Account Holder who is not a consumer shall not be refunded.

13.4. The Bank shall be entitled to unilaterally terminate the Agreement without notice to the Account Holder due to occurrence or ascertainment of the occurrence of any of the circumstances indicated below, namely: upon inclusion of the Account Holder/Authorized User in sanctions lists, including of the UN Security Council, the European Union, the Office of Foreign Assets Control (OFAC) of the U.S. Treasury Department, the Ministry of Finance or the National Revenue Agency of the Republic of Bulgaria, or in other restrictive lists, including under the Law on Measures against Money Laundering or the Law on Measures against Terrorist Financing; due to use of the electronic banking for non-legitimate purposes or fraudulently, as well as when the Account Holder/Authorized User with its actions threatens or precludes the use of services of other clients, incl. for attempting to obtain unauthorized access to other clients' registrations and information, as well as for provision of false information for the registration for "*My Fibank Cyprus*", when the provision of the correct information would have led to a refusal of registration. Upon termination of the Agreement under this item, the Bank shall not owe to the Account Holder a refund of any prepaid charges.

13.5. Termination of the Agreement shall not automatically lead to closure of the accounts, including the deposits, opened through *My Fibank Cyprus*, unless the Account Holder expressly requests their closure under the terms and conditions specified by the Bank, or the Bank closes them on its own motion, pursuant to the GTCPS.

XIV. ADDITIONAL PROVISIONS

14.1. Unless otherwise provided in these GTC or the specific arrangements between the parties, the relations between the Bank and the Account Holder in connection with the use of the payment services and the other related services offered by Fibank Cyprus Branch through *My Fibank Cyprus*, including the opening and maintenance of bank accounts, the authorization and execution of payment transactions, the cancellation of payment transactions ordered by the Account Holder, possibility for corrections, and the other rights, obligations and responsibilities of the parties, shall be governed by the GTCPS, the Tariff and the appendices thereto, which shall form an integral part of the Agreement.

14.2. The records kept by the Bank of the orders for execution of payment transactions or other transactions, and of the other information submitted in the form of electronic statements through *My Fibank Cyprus*, shall be considered as definitive proof of their content, as well as of the time of their submission, or execution. The records made by the Bank of the transactions through *My Fibank Cyprus* are accounting documents under the Accountancy Act, and shall be considered true until proven otherwise.

14.2.1. As a controller of personal data, Fibank Cyprus Branch shall act in compliance with the legislation of the European Union (EU), including with the requirements of Regulation (EU) 2016/679 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation - GDPR). Personal data of clients shall be lawfully processed in the presence of at least one of the conditions under Art. 6, para. 1 of the GDPR.

The Bank shall provide to each client a document containing the information on processing of personal data required by law and under Articles 13 and 14 of GDPR, as well as personal data protection information for users of payment services and bank cards. Where necessary, the Bank shall update the information provided. The latest version shall be made available on paper or other durable medium at any time in the Bank's offices and on the website of Fibank Cyprus Branch at www.fibank.bg.

XV. DISPUTE RESOLUTION. APPLICABLE LAW

15.1. Any disputes arising between the parties in connection with the execution or interpretation of the Agreement and these GTC shall be resolved by mutual consent. Fibank Cyprus Branch shall provide the option of filing a written complaint at any of its bank offices, as well as electronically, under the Client Complaint Procedure published on its website at www.fibank.bg. Any data and documents substantiating the merits of the complaint should be attached to it. With a view to objective handling of complaints, resolution of disputes and correction of any errors, the Bank may request additional data and documents.

15.1.1. The Bank shall process the complaint and notify the User in writing of its decision within 15 (fifteen) working days of receipt of the complaint, unless it becomes necessary to extend this period, to which effect the User shall be notified in writing.

15.1.2. In the event that the Bank does not issue a decision on the complaint within the prescribed period, including where such period is extended, as well as in the event the User disagrees with the Bank's decision, the User may refer the dispute to conciliation procedure before the Central Bank of Cyprus or before the competent body.

15.2. For the convenience of the Users-foreign persons, the Bank may provide the present General Terms and Conditions and the Tariff in other language. In the case of discrepancies and contradiction the original text in English shall prevail.

15.3. Any matters not specifically referred to in The Contract, these General Terms and Conditions, GTCPS and in the special conditions for the particular payment service shall be governed by the applicable provisions of the effective legislation as well as the acts of the European Union.

15.4. If the Parties fail to reach an agreement, each of them may refer the dispute to the competent court in the Republic of Bulgaria.

15.5. Should any provision of these GTC be, or become invalid, this shall not affect the validity of the remaining provisions of these GTC.

XVI. FINAL PROVISION

16.1. The General Terms and Conditions for opening and maintenance of bank accounts and provision of payment services of Fibank Cyprus Branch, the Tariff of Fibank Cyprus Branch, and the appendices thereto shall form an integral part of these GTC.

16.2. The present General Terms and Conditions are adopted by the Managing Board of First Investment Bank AD, amended and supplemented by resolution effective as of 11.05.2023.
